1. He was great. Always available via email and his office hours were very helpful.
2. TF was incredibly responsive and helpful. Best TF experience at Stern.
3. The TF was very good at explaining concepts.
4. TF was very helpful. His study sessions were very informative.
5. The TA was very helpful during his review sessions in explaining the problems and breaking down the questions into understandable frameworks. He also was responsive via email which was helpful.
6. Great, very responsive and helpful.
7. The TA was very helpful and returned problems in a timely fashion, which was awesome in the accelerated course format.
8. Tough grader.
9. I didn't really ask the TF for help. I thought the grading on homework was a bit nitpicky.
